

ABOUT THE SOCIETY

The Pravara Rural Education Society was established in July 1964 by Late. Padmashri Dr. Vitthalrao Vikhe Patil, a great visionary, philanthropist & pioneer of first cooperative sugar factory in cooperative sector not only in India but Asia. The objective was to avail the technical education in the rural area at affordable cost. **Late. Padmabhushan Balasaheb Vikhe Patil**, an outstanding leader in Maharashtra & a member of Parliament for over three decades, embarked upon the arduous task of translating the dream of Padmashri into concrete realities by meticulous planning. It symbolizes the ascendance of academic excellence, quality education from preprimary to research level. The society is continuously progressing towards excellence in Education system under the leadership of honorable chairman **Namdar Shri. Radhakrishna Vikhe Patil**.

ABOUT THE INSTITUTE

Sir Visvesvaraya Institute of Technology was established by Pravara Rural Education Society in 1998-99. It offers Under Graduate Engineering Courses in Chemical Engineering, Computer Engineering, Electrical Engineering, E&TC Engineering, Mechanical Engineering, Information Technology & P.G. Courses in Mechanical Engineering, E&TC Engineering, Computer Engineering, MBA. The institute has well qualified, devoted and dedicated team of faculty members. Conducive environment exists between staff and students. Quality technical education is provided to the students to meet challenges of globalization with state of art equipment and laboratories

ABOUT MBA, BASIC SCIENCE AND HUMANITIES & Library

MBA Department is moving with poise and purpose, featured with an abundance of vigor and vitality, competence and confidence, in spite of the distinct individual traits. MBA develop a new breed of managers and Entrepreneurs though cutting edge and Global management education to influence the quality of management in organizations of various sectors towards greater professionalism with the understanding of socio-cultural system. We believe that self-learning is the best means of learning especially at the post graduate level and accordingly faculty should act as facilitators more than teachers. A great deal of emphasis is therefore placed on experimental learning

The first year Engineering Department has been active since its inception in 1998. Department having well equipped, well-furnished laboratories, computer lab with internet facility. Well qualified, experienced and dedicated faculty. Department is active in organizing event like Orientation Program for students and parents, Induction programme, Psychometric test, Parent-Teacher Interaction meet in each semester, Technical event –Quanta, FDP, expert lecture and student's overall development activities like Aptitude test, Technical skill at First year level.

Central Library system supports the teaching-learning and research activities conducted in the institution. Books of all discipline having more than 39,480 Volumes 18,783 Titles & 73 National & International Print Journals & also subscribed with international renowned databases like Taylor & Francis, Springer, ELSEVIER, J-Gate, DELNET, NPTEL Video's. All its operations are computerized using KOHA software and provide access to the collection through OPAC. We have Membership of other libraries like IIT, Bombay, British Library, Pune & Jayakar Library SPPU, Pune.

ABOUT THE FDP

In order to keep pace with recent technologies and developments in Industry, SVIT organizes FDP on recent technologies every year. Recently we organized FDP on

- Human Values and Business Ethics
 - Emotional Intelligence in Leadership
 - Teaching Methodologies and Communication Skills.
- which received tremendous response from participants Inspired from response and feedback, this year FDP on **Life Skill –Management** is organized

OBJECTIVES

The main objective of FDP is

- Awareness in faculty about life skill management.
- To build self-confidence, encourage critical thinking, foster independence and help faculty to communicate more effectively.

ELIGIBILITY OF PARTICIPATIONS

- Faculty & Students from engineering & MBA college will be more benefited.

IMPORTANT DATES

- **Dead line for Registration** : 3th July 2021
- **Intimation of acceptance** : 4th July 2021

Note: 1. No Registration Fees

2. E- Certificate will be issued for participants attended all sessions.
