

ABOUT THE SOCIETY

The Pravara Rural Education Society was established in July 1964 by Late. Padmashri Dr. Vitthalrao Vikhe Patil, a great visionary, philanthropist & pioneer of first cooperative sugar factory in cooperative sector not only in India but Asia. The objective was to avail the technical education in the rural area at affordable cost. **Late. Padmabhushan Balasaheb Vikhe Patil**, an outstanding leader in Maharashtra & a member of Parliament for over three decades, embarked upon the arduous task of translating the dream of Padmashri into concrete realities by meticulous planning. It symbolizes the ascendance of academic excellence, quality education from preprimary to research level. The society is continuously progressing towards excellence in Education system under the leadership of honorable chairman **Namdar Shri. Radhakrishna Vikhe Patil**.

ABOUT THE INSTITUTE

Sir Visvesvaraya Institute of Technology was established by Pravara Rural Education Society in 1998-99. It offers Under Graduate Engineering Courses in Chemical Engineering, Computer Engineering, Electrical Engineering, E&TC Engineering, Mechanical Engineering, Information Technology & P.G. Courses in Mechanical Engineering, E&TC Engineering, Computer Engineering, MBA. The institute has well qualified, devoted and dedicated team of faculty members. Conducive environment exists between staff and students. Quality technical education is provided to the students to meet challenges of globalization with state of art equipment and laboratories.

ABOUT THE E & TC ENGINEERING AND ELECTRICAL ENGINEERING DEPARTMENT

Electronics and Telecommunication Department is established in 2002. The department is well known for excellent infrastructure, fully developed and well furnished laboratories with well experienced and dedicated faculty members. Department has state of art laboratories for subjects like VLSI, Embedded System, Communication etc. & Computer Center with the recent softwares which enables to conduct value addition courses like VLSI Design, MATLAB.

The Electrical Engineering Department at SVIT Nashik has been active since its inception in 1998. Along with qualified faculties the Laboratories are also well equipped with Latest Experimental and Computational Facilities

including MATLAB, Turbo C+ programming Software for taking up R&D and consultancy activities in various field of Electrical Engineering.

HIGHLIGHTS OF DEPARTMENT

The Electrical department has established student's Association EESA (Electrical Engineering Students Association) which organizes the Technical events and Social Activities. Department has good Placement record every year. Department implements best teaching and learning process to achieve outcome based education. Departments are continuously engaged in making of Industry ready graduates with technical trainings and Aptitude training from first year. Our Alumni are placed in MNCs like TCS,ABB,CG Ltd., SRK Tech Surat, Siemens every year.

ABOUT THE PROGRAM

In order to keep pace with recent technologies and developments in Industry, SVIT organizes FDP on recent technologies every year. We organized FDP on

- > PLC and SCADA
- > Advanced PYTHON

in previous academic years, we received tremendous response from participants. It helped participants fill the gap between academics and Industry. Inspired from participant's feedback and to cater with the need of hour, this year FDP on **Advances in SCADA and 5G Technology** is organized.

OBJECTIVES

- The main objective of the FDP is
- > To make the participants acquainted with advanced applications of SCADA using PLC.
 - > To make the participants familiar with simulation tools in MATLAB for 5G Technology applications.

ELIGIBILITY OF PARTICIPATIONS

- > Faculty & Students from engineering college
- > Electronics/Electronics and Telecommunication / Industrial Electronics/Electrical Engineering /Electrical & Electronics Engineering will be more benefited.

IMPORTANT DATES

- ▲ Dead line for Registration : 3rd July 2021
- ▲ Intimation of acceptance : 4th July 2021

NAAC Accredited
Sir Visvesvaraya Institute of Technology,
Nasik
One week National level
Online Faculty Development Program
In Association with IETE

On "Advances in SCADA and 5G Technology"
5- 9th July 2021

REGISTRATION FORM

1. Name :
2. Organization :
3. Office/College Address:
- Pin:
4. Contact No. (R) :
- (O) :
5. Email-ID :
6. Residential Address :

CHIEF PATRON

Hon'ble Namdar Shri. Radhakrishna Vikhe Patil
(Ex Minister, Ex Leader of opposition, Govt. of
Maharashtra, Chairman Loknete Dr. Balasaheb
Vikhe Patil (Padma Bhushan Awardee) Pravara
Rural Education Society PRES, Loni.)

Hon'ble Namdar Sau. Shalinitai Vikhe Patil
(Ex President, Zilha Parishad, Ahmednagar)

Dr. Sujaydada Vikhe Patil
(Member of Parliament Govt. of India)

PROGRAM DIRECTOR

Prof. (Dr). K.T.V. Reddy
(Principal SVIT Nashik and
Director-Development Pravara Rural
Education Society PRES, Loni. MH)

CONVENER

Mrs. Archana A Hatkar
Mobile. No: 9423809692
E-mail: archana.hatkar@pravara.in
HOD E&TC Engineering
Mr. Nadeem B. Shaikh
E-mail: nadeem.shaikh@pravara.in
