Subject: BE-Mech Syllabus Revision Workshops conducted at our college

To: uopmech@gmail.com, kakhandki_vj@rediffmail.com, prafulla_kulkarni1@hotmail.com, niharwalimbe@gmail.com

Respected sir,

as per your directions we have conducted BE Mech Syllabus revision workshop at our college today.

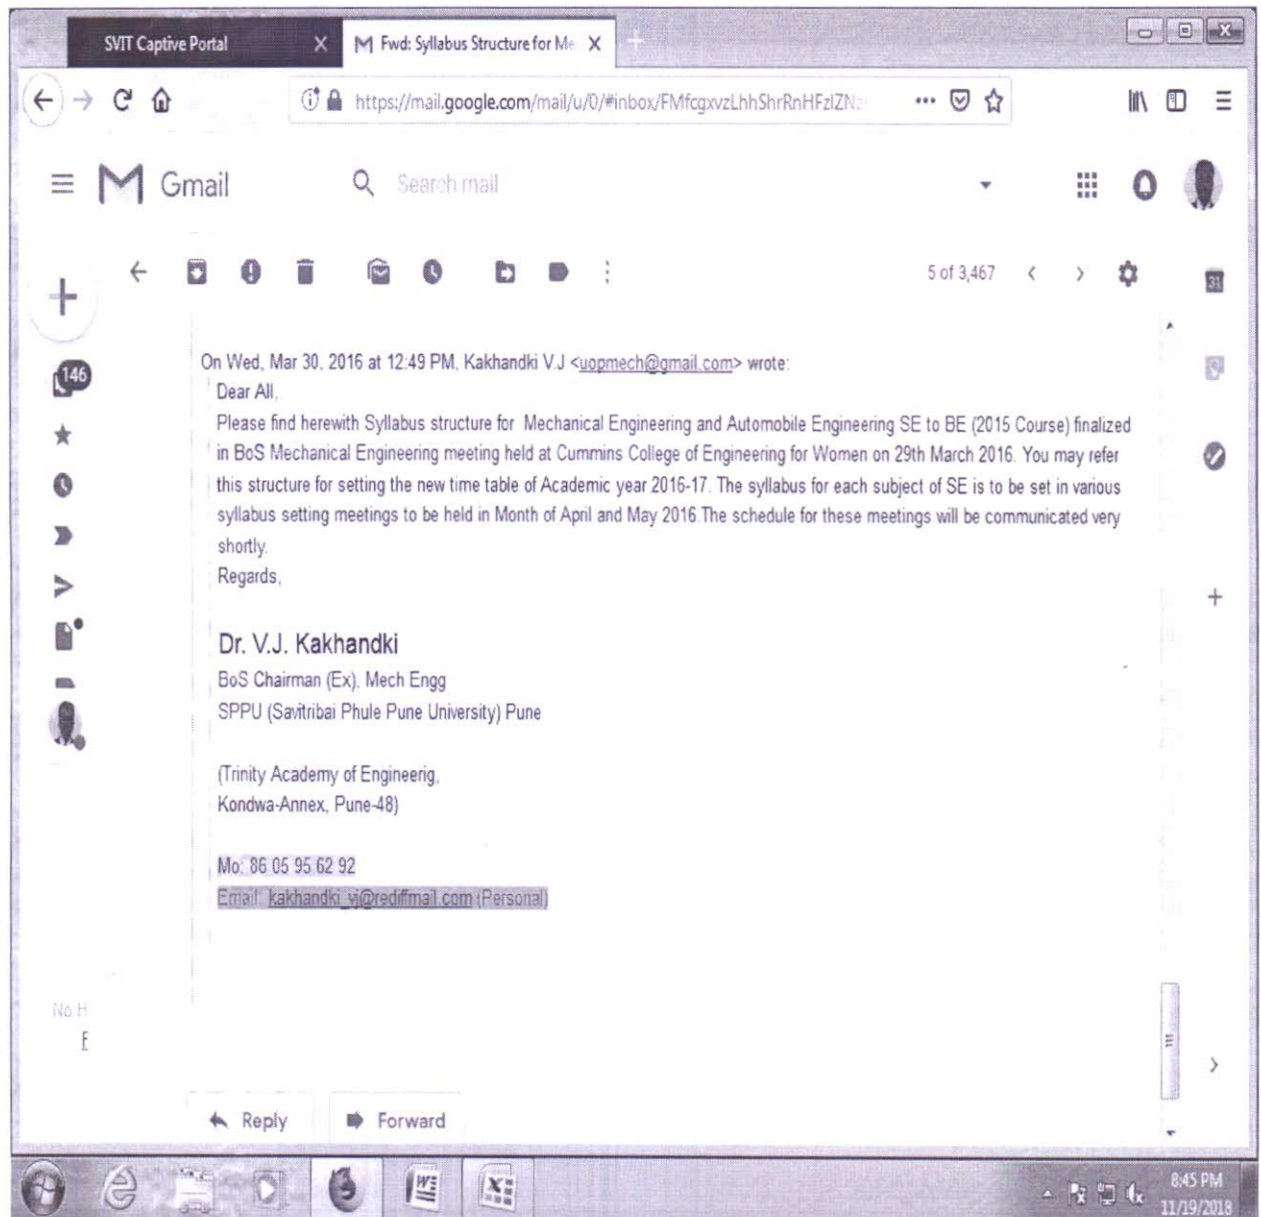

Prof. Dr. G.K. Kharate, Dr. N.S. Walimbe and Dr. Pattiwar were present for the workshop.

About 40 staff members from different colleges have participated and contributed in the workshop.

Senior staff from Industry was also present.

Prof. Dr. Kharate, Dr. Walimbe, Dr. Pattiwar, Dr. P.C. Kulkarni guided the participants.

Prof. P.M. Deshpande discussed the expectations from industry.

Dear all

The final copy of SE(IT) 2015 course syllabus is uploaded on SPPU website. Kindly download the copy and use it for your reference please!

There could be minor changes in some of the subjects especially in objectives and outcomes of practical subjects and little reorganization of contents in FCCN.

The main concern raised by some faculty members was: The number of hours given to PSOOP practical and Computer Graphics practical

The reason was- the structure is approved by Academic Council states that maximum 30 hours (20 (Th)+ 10 (PR+TW+OR) or 18(Th) +12 (PR+TW+OR)) can be allocated to all heads of passing (AICTE guidelines- contact hours should not be more than 26-30). Due to this we have to reduce the number of hours for Digital Electronics Lab from 4 to 2. I know that the concerns you people have raised are genuine but we are bound to follow guidelines of AICTE and University. We have deal with such issues very carefully and judiciously.

We tried to address this problem by reducing the number of assignments for both the subjects. I think we would be able to deal with the situation. We can discuss this issue further in the FDP of this subject which will happen in next week.

The reason behind to introduce Computer Architecture and Organization was to give some weightage to Computer Architecture which was missing in IT curriculum. There was imbalance in contents of different units in FCN which we tried to balance and included some contents which are essential to strengthen the foundation of FCN.

There was real need to have a practical for PSOOP which is included in the revised syllabus. There were suggestions from many people to introduce Python in SE but I think learning more than two languages in a year will increase the burden on students and hence it is decided to introduce Python in TE(IT) syllabus.

I hope the syllabus prepared by IT board with contribution from you people will satisfy the expectations of all the stakeholders.

If there are still some major concerns, we can share and discuss and try to suggest a better solution to those concerns/problems.

Many many thanks to all faculty members who contributed directly or indirectly and faculty members.

We have a huge responsibility to implement/execute this syllabus with full enthusiasm and better fashion.

Best of luck to all of you and hope that you will cooperate and contribute in future also.

Regards,

Prof. Garje G.V.
 Chairman, BOS-IT, SPPU

Dear IT Teachers of SPPU,

Greetings !

At the outset, BoS IT is very much thankful to all BoS members and contributors in TE IT syllabus 2015 course revision. The contribution of the all of you is unprecedented and very resourceful in SE syllabus framing.

BoS IT is deeply indebted to Respected Dr. Y.P. Nerkar sir, Dr. G.K.Kharate sir, Dr. Varsha Patil Madam, Dr. M.L.Dhore sir, Prof. S.R. Dhore sir, Dr. G.V. Garje sir, Dr. Pramod Patil Sir and all BoS members of Computer Engineering for their valuable suggestions and guidance while preparing this draft.

With the same zeal and vigor you contributed the revision of TE syllabus too. Attached herewith please find draft of TE IT syllabus 2015 course. I sincerely appeal to review and reply with consent, errors and suggestions. This draft will also help you for faculty identification and work load distribution for coming semester.

The motto of the syllabus revision is include major core subjects of IT and to aquatint the learners with intermediate Programming skills and software development tools.

ME IT syllabus revision is in progress and I am sure that Dr. Thepade and his team will come up with excellent draft at earliest. In the short time, BE IT syllabus is also due and in the sequel, I would like to request you to come ahead and shoulder the responsibility to expedite the process. I will be happy if some one will come ahead aand take the lead in BE IT syllabus revision.

Many thanks to dear course advisers, coordinators and team members for coming up with excellent course contents.

Kindly consider this email as a call to plan and conduct subject and labwise FDPs. Please send your willingness for the same to Prof. G.R. Pathak sir and mark cc to me.

Dear Sir/Madam,

Greetings !

In the academic year 2016-17 SE (Information Technology) 2015 Course was implemented. In the current academic year 2017-18, TE (Information Technology) 2015 course is implemented. The FDP for TE 2015 course was also conducted at MKSS'S CCoEW on 13 June 2017. At the outset, BoS - Information Technology is thankful to the Principals, Heads and faculty members of all the affiliated colleges for the efforts and cooperation.

In the next academic year i.e. 2018-19, BE 2015 course curriculum is to be implemented and its the right time to start the preparation for formulating the new structure, subjects and syllabi.

I am very happy to share with you that,

- Dr. Baisa Gunjal, ACOE, Sangamner
- Dr. Anant Bagade, PICT
- Prof. Jyoti Yemul, SKNCOE

have agreed to shoulder and coordinate the BE syllabi preparation activity.

I would like to request Dr. Gunjal Madam, Dr. Bagade sir and Prof. Yemul madam to discuss the plan of action and expedite the process as syllabus design process is very crucial and need lot of team work. BoS members and all teachers of IT are always there to guide you. I am sure that your team will come up with wonderful syllabus which will be well recieved by all the stakeholders.

Also for the TE 2015 course following post-FDP activities need to be executed

1. Preparation of question bank
2. Preparation of laboratory manual
3. Curriculum book (3 to 4 page document indicating which book to be referred for syllabus content and the scope)

I request all the faculty members to actively contribute to all the activities.

Looking forward to receive comments from all regarding BE syllabus revision. All are requested to share your feedbacks to the above team directly.

Keep Posted.

Thank you.

Ref. Rule R-1.3 for Examination Rules of “Rules and Regulations for M.E. Programs under faculty of Engineering effective from June 2013”.

Electives:

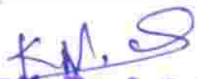

Elective I		Elective II	
510105A	Intelligent Systems	510110A	Business Intelligence and Data Mining
510105B	IRand Web Mining	510110B	Usability Engineering
510105C	Machine Learning and Translation	510110C	Advanced Compiler Design
510105D	Open Elective /Real Time Systems	510110D	Open Elective/ Embedded System Design

Elective III		Non Credit Courses	
610103A	Network Security	Semester -I	Cyber Security
610103B	Cloud Computing	Semester-II	Information and Cyber Warfare
610103C	Computer Vision and Pattern Recognition	Semester-III	Bio-Metrics and Cyber Security
610103D	Open Elective/ Soft Computing	Semester -IV	Cyber Forensics and Information Security

The dissertation must result into the publication of at least two research papers (at Stage-I and Stage-II respectively) preferably in the Journal having Citation Index 2.0 and ISSN number; or paper can be published in reputed International Journal recommended by the guide of the Dissertation and the BoS supported cPGCON event for paper presentation and participation. The guides certificate covering originality of the work and plagiarism-testing result shall be included in the report along with the Published Journal Papers and. cPGCON paper presentation and participation certificates. The comments received by the journal paper reviewers be attached in the Dissertation report and shall be made available during dissertation presentation/viva to the examiners.

Note 1: Refer R-2.7 for Examination Rules of “Rules and Regulations for M.E. Programs under faculty of Engineering effective from June 2013”. Non-credit courses are mandatory for the grant of the term and shall be completed by the students as a self study either by referring to the Hand books, Journal/Conference papers (atleast 25 in number), open source software, tools and in addition may be by organizing educational visits to the technological/professional centers in the subject, if any. Each student is required to produce in own words, one 10 pages innovative, technical paper to be submitted as a part of the semester course work of non-credit courses.

Audit Course1

In addition to credits courses, it is recommended that there should be audit course (non-credit course) from second year of Engineering. The student will be awarded grade as AP on successful completion of audit course. The student may opt for one of the audit courses, starting in second year first semester. Though not mandatory, such audit courses can help the student to get awareness of different issues which make impact on human lives and enhance their skill sets to improve their employability. List of audit courses offered in each semester is provided in curriculum. Student can choose one audit course from the list. Evaluation of audit course will be done at institute level. Method of conduction and method of assessment for audit courses is suggested.

The student registered for audit course shall be awarded the grade AP and shall be included such grade in the Semester grade report for that course, provided student has the minimum attendance as prescribed by the Savitribai Phule Pune University and satisfactory in-semester performance and secured a passing grade in that audit course. No grade points are associated with this 'AP' grade and performance in these courses is not accounted in the calculation of the performance indices SGPA and CGPA. Evaluation of audit course will be done at institute level itself.

Important Notes

1. In-Sem Theory examination will be conducted, approximately one and half month after the commencement of each semester
2. In-Sem Theory examination will be based on first three units from Syllabus and will be conducted by the University of Pune
3. Total time allotted for In-Sem Theory examination will be One Hour only
4. (#) Total time allotted for In-Sem Theory examination (DME-I and DME-II) will be 2 hrs
5. Total time allotted for End-Sem Theory examination will be 2 hrs 30 min
6. (@) Total time allotted for End-Sem Theory examination (DME-I and DME-II) will be 3 hrs
7. ** Common oral based on both DME-I and DME-II term work

Total		25	-	200	100	300	25

Lab Practice I & II:

The laboratory work will be based on completion of assignments confined to the courses of that semester.

SEMINAR:

The student shall deliver the seminar on a topic approved by authorities.

Seminar I : shall be on state of the art topic of student's own choice approved by authority. The student shall submit the seminar report in standard format, duly certified for satisfactory completion of the work by the concerned Guide and head of the department/institute.

Seminar II : shall be on the topic relevant to latest trends in the field of concerned branch, preferably on the topic of specialization based on the electives selected by him/her approved by authority. The student shall submit the seminar report in standard format, duly certified for satisfactory completion of the work by the concerned Guide and head of the department/institute.

Seminar III: shall be extension of seminar II. The student shall submit the seminar report in standard format, duly certified for satisfactory completion of the work by the concerned Guide and head of the department/institute.

M.B.A II

Semester	IV	Specialization	Finance
Course Code	403 FIN	Type	Specialization - Core
Course Title	Indirect Taxation		

Course Objectives:

1	To understand the basic concepts related to GST
2	To acquaint with the latest amendments made in connection with indirect taxation
3	To update the procedural part of GST

Syllabus:

Unit Number	Contents	Number of Sessions
1	1) Introduction, Overview and Evolution of GST: 1.1 Indirect tax structure in India 1.2 Introduction to Goods and Service Tax (GST) - Key Concepts 1.3 Phases of GST, GST Council 1.4 Taxes under GST, Cess	7 + 2
2	2) Registration under GST: 2.1 Threshold for Registration 2.2 Regular Tax Payer 2.3 Composition Tax Payer 2.4 Casual Taxable Person 2.5 Non-Resident Taxable Person 2.6 Unique Identification Number 2.7 Registration Number Format	9 + 2
3	3) Supply under GST and Valuation of Supply: 3.1 Supply 3.2 Place of Supply, Interstate Supply, Export of Service, Export of Goods, Import of Service, Import of Goods 3.3 Valuation of Supply (Numerical on valuation and calculation of tax)	6 + 2
4	4) Input Tax Credit under GST & Returns: 4.1 Input tax credit process 4.2 Negative List for Input tax credit 4.3 Input Tax Credit Utilization and Input Tax Credit Reversal 4.4 Types of GST returns and their due dates, late filing, late fee and interest	8 + 2
5	5) Custom Duty and Indirect Taxation: 5.1 Definitions of certain terms relating to the custom act, custom tariff act, Levy and types of custom duties 5.2 Indirect taxation applicable to few commodities levied by either Central or State Government.	5 + 2
	Note: 20% numerical questions and 80% theory questions will be asked

Note: Each Subject Elective Course is a Half Credit course of 30 hours. Out of 30 hours 25 hours shall be devoted to teaching – learning sessions and 5 hours for evaluation/projects. 50 marks shall be devoted for concurrent evaluation to be carried out by the Institute.

Note: Number of Sessions provided in the detailed syllabus in Annexure II for each course are **indicative and not prescriptive** in nature. They indicate the clock hours allocated for teaching and evaluation/project. However under the CBCS - LTP pattern , the faculty has the liberty to modify the same in the best interest of the learners.

Note:

- In the detailed syllabus, Number of Sessions indicated are as follows: 7 + 2 indicates 7 teaching sessions and 2 evaluation /project sessions. Kindly note that the numbers provided are indicative and not prescriptive.
- Faculty members and students should refer to the latest edition of the relevant books, wherever such latest editions are available.
